

Mountain View High School
Boy's Lacrosse Team
Gary Asher, Booster Club President
PO Box 5007
Bend, OR 97708

February 24, 2008

To Whom It May Concern:

The Mountain View High School Boys Lacrosse Team is asking for financial support for the 2008 season. This is the first boy's lacrosse team at Bend's Mountain View High School. The team is a non-funded school sport with no paid staff at any level of the program. Your financial support will help us make this program available to any student who wants to try boy's lacrosse. This year we anticipate 20 students on our team. The team's expenses include league fees, association dues, uniforms, equipment, and scholarships for those who cannot afford the sports participation fee and/or equipment.

This spring the team will produce a beautiful full color team poster that will be displayed at Bend area businesses. We would like to honor you, our sponsor, by including your company name printed on our poster and on our website in one of our medal-winning categories represented by our school colors.

- RED –donations \$500 and above**
- BLACK –donations between \$150 and \$499**
- WHITE –donations up to \$149**

Our poster will go to print in March, so please send your donation as soon as possible.

Please consider donations for as little as \$10 and, of course, as large an amount as you like. Any amount of donation is welcome. Fill out the form below and attach it to your check to receive a receipt for your tax-deductible donation.

Make checks payable to: **MVHS Boys Lacrosse Team**
Mail them to: Gary Asher
PO Box 5007
Bend, OR 97708

We appreciate your support.

Sincerely,
Mountain View Boys Lacrosse Team

I am donating \$_____ to the Mountain View High School Boys Lacrosse Team student body account for the purpose of making boy's lacrosse team membership available to any student who wants to try this sport.

Please send a receipt with tax ID# to me at the following address:
